Office: **Hull**

Client's Order Number:

Date: **28 August 2020**

Order Status: -

Inspection Dates

First: **26 August 2020**

Final: **26 August 2020**

This certificate is issued to :

Aviation and Marine Engineering Limited.
Hangar 2, Scottow Enterprise Park,
Lamas Road, Badersfield, Norfolk NR10 5FB

This is to certify that on the above dates the works were audited and examined by the undersigned and the Quality Control System, conditions and facilities of the establishment, as audited and examined, were found to be acceptable for the moulding of FRP structural components for marine craft under Lloyd's Register survey.

The Quality Control System is subject to annual audits and if these works are not under regular attendance by the Lloyd's Register Surveyors, it may be necessary before undertaking moulding survey work for the Quality Control System, conditions and facilities to be re-confirmed if a period exceeding three months is to elapse since this inspection or since moulding work was surveyed by Lloyd's Register.

K.B Thacker
Surveyor to Lloyd's Register EMEA

a member of the Lloyd's Register group.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
